SELMIR KALENDER

Data Visualization Specialist | Data Analyst

PROFILE

Experienced Business Intelligence professional who is an intrinsically motivated and intellectually curious lifelong learner. I am constantly seeking to expand my knowledge and skills in the field of data analytics.
My goal is to uncover, display, and convey information, insights, and value from vast amounts of data.

WORK EXPERIENCE

Aug. 2021 - Present
DATA VISUALIZATION CONSULTANT
Hopmann Marketing Analytics
- Defining challenges and developing solutions for clients in sectors such as automotive, appliance, retail etc.
- Supporting and carrying out projects using SCRUM
- Analyzing requirements and identifying patterns in the data to find insights
- Developing new Dashboards and Reports based on the clients needs, and optimizing and improving existing ones
- Evaluating the data quality, accuracy, and completeness to establish repeatable and sustainable processes
- Designing, creating and developing visualizations based on established methods

Jun. 2018 - Aug. 2022
